

## **340B Prescription Assistance Program**

- ❖ LCH&D and Walgreens (at two Lorain locations and one Elyria location) are working together to make your prescriptions more affordable.
- ❖ Simply tell your LCH&D provider that you would like to have your prescriptions filled (or refilled) at a participating Lorain or Elyria Walgreens.
- ❖ If you have no pharmacy insurance, you may receive your medications at a reduced cost at these participating Walgreens.
- ❖ If you have insurance for your prescriptions, your cost will be determined by your insurance.
- ❖ Patient has the right to choose his or her pharmacy, but will only receive the benefit if these pharmacy locations are used.
